

## STAFF ACCOUNTANT

Since 1973, Skogen, Cometto & Associates, P.C. has been providing audit, compilation and review, attestation, accounting, management, computer consulting, and tax services to small businesses, governmental entities, non-profit organizations, energy, construction and agriculture industries, as well as individuals throughout Wyoming.

Due to a firm acquisition resulting in growth and opportunity, we are seeking a dedicated Accountant with interested in public accounting to complete audit and tax engagements for individuals, small corporations, nonprofit organizations and governmental entities.

Position requires a Bachelor's degree in Accounting or related field; CPA license (or on track to obtain);

This position is located in beautiful Casper, Wyoming. If you do not currently reside in the area, we will provide relocation benefits to the right candidate.

We are small (total staff of 13) and have developed a strong team of professionals capable of managing accounting engagements with integrity and interest and are proud to offer a competitive salary, excellent advancement opportunities and a comprehensive benefits package including cafeteria plan for medical insurance, dental/life/disability insurance, retirement, vacation and marketing incentives.

If you are the professional we are seeking, send resume and letter of introduction or contact Roxy L Skogen, CPA. All inquiries held in strict confidence. Visit our website at [www.cpawyoming.com](http://www.cpawyoming.com) for further details on our firm and professional staff.

*Skogen, Cometto & Associates, P.C. is an Equal Opportunity Employer.*
